Xin Guang Yuan (New Lights) Lighting Technology Co.,Ltd., headquartered in Haining, China, is a sizable OEM factory established with 20 years of solid experience in the lighting industry. As a leading domestic manufacturer of LED products, New Lights introduced green lighting wares configured with high power efficiency and optimized energy consumption. Powered by our commitments to top quality products and R&D efforts, our products have a broad coverage in LED tubes, LED filament bulbs, Edison bulbs, LED panel lights and fluorescent tubes.

To meet the growing demand in easily accessible, highly customized, top quality and timely delivered goods, New Lights vision is to pursue the “information era” of international trade with full utilization of online platforms. New Lights has a group of professional and passionate staffs who pledged themselves to offer superior online trading experience as well as associated after-sale services. With full support from Technology, Purchasing, Design and International Sales Team, we strive to brand ourselves as the best lighting exporters in China.

Motivated by the motto “ To Win Trust, Always Deliver the Best ’ , New Lights earns good reputations by supplying top tier products at competitive price. We are confident to be recognized as a supplier of world class lighting products through pragmatic and innovative products, meticulous follow-up services, and most importantly, obtaining your endorsement and trust.
